

Dogs and Cats Repellent

**OLFACTORY BARRIER
THAT KEEPS DOGS AND CATS AWAY
FROM WHERE APPLIED**

Repellent for dogs and cats can be used in all the indoor or outdoor domestic environments:

- Balcony;
- Cellar;
- Box;
- Fence;
- Pavement.

Repellent for dogs and cats is harmless to people, animals or plants because its action is solely olfactory.

Repellent for dogs and cats is also perfect to push animals away from bushes, pots, doors and car wheels.

Repellent for dogs and cats does not use propellant gas hence it does not damage the environment.

Repellent for dogs and cats does not stain.

Composition: Water, non-ionic emulsifiers, essences and essential oils.

Instructions for use: Spray plenty of product from a distance of 30-40 cm from the surface or the object that you wish to protect. At first, every day then on alternate days until the bad habit disappearance.

Packaging: 500 ml NO GAS spray bottle.
