

# Stop Bad Smell

**BIOLOGICAL-ENZYMATIC NATURAL SPRAY  
WITH VEGETABLE EXTRACTS  
TO TREAT AND NEUTRALIZE THE SMELL  
CAUSED BY ORGANIC SUBSTANCES**

**Stop Bad Smell**  
can be applied on:

- Floors;
- Kennels;
- Litters;
- Rubbish bins, dumpsters,  
organic residues containers;
- Manholes and wells,
- Car fitted carpets;
- Anywhere you have to  
eliminate organic stains  
and bad smell.

**Stop Bad Smell**  
leaves a pleasant scent.

**Stop Bad Smell**  
extends the duration of litters,  
improves the kennels hygiene,  
and creates an adverse environment  
for troublesome insects to come  
closer.

**Stop Bad Smell**  
is harmless to people  
and animals.

**Composition:** Non-pathogenic natural micro-organisms from Bacillus species, natural vegetable extracts, < 5% non-ionic surface-active agents.

**Instructions for use:** Spray the product directly onto those surfaces that are the bad smell source.

**Packaging:** 500 ml NO GAS spray bottle.
